

SOCIAL EYES WITH DI BAUWENS

Some are up on chairs and tables, others kick off their shoes to dance barefoot on the grass. It's definitely not your average black-tie-corporate Saturday night shindig. It was the night that **Jimmy Barnes** and daughters **Mahalia** and **Elly-May** came to **Kununurra** to mark the end of the Argyle Diamonds **Ord Valley Muster** at the spectacular **Kimberley Moon Experience**. The great divide between 3000 plus punters on the banks of the river and 600 guests in the **Kimberley Fine Diamonds Corporate Circle** soon dissipated as they all rocked in unison under that brilliant outback night sky. Smoked kangaroo, pearl meat, Kakadu plum dragonfruit sorbets and boab chocolates were part of the lavish menu and as the event came to an explosive crescendo over fireworks, the only thing left to say was: "How are they going to top this next year?"
